HIGH SCHOOL CONCERT.
Assembly Hall Crowded—Entertaining Program.

The assembly hall of the High School building was crowded to the doors Saturday evening, where the first High School concert was in progress. The audience was composed largely of friends and relatives of the scholars with a fair smattering of those who preferred a High School entertainment to the many other attractions of the evening.

The grounds were lighted with Japanese lanterns and within the assembly hall flags, bunting and ferns were arranged with pleasing effect.

The program was well arranged to entertain the public as well as demonstrate the capabilities of the scholars. The numbers rendered by the glee club were quite commendable and showed hard study by the pupils. The two recitations

came in as a pleasing variation to the program. As a whole the concert showed good work on the part of scholars and teachers, and good management in arranging a varied program for the entertainment of the public.

Pabst Beer is Popular.

The popularity of Pabst Milwaukee beer was established in a very short time. Messrs. W. C. Peacock & Co., were fortunate in securing the agency for the islands. Pabst beer contains nothing injurious to the human system, but on the contrary its use produces beneficial results. It is light, nutritious and healthy. On draught at the Royal, Pacific and Cosmopolitan saloons.
